April 10, 2026

To,

BSE Limited

Phiroze Jeejeebhoy Towers,

Dalal Street,

Mumbai- 400001

Company Code: 523373

Subject: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015: Receipt of Domestic Order for Fancy Coloured Lab Grown Polished Diamonds amounting to INR 14.00 Crores

Dear Sir/Madam,

Pursuant to Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and in terms of the captioned subject, Mini Diamonds (India) Limited (“MDIL”) is pleased to inform its shareholders that the Company has secured a significant domestic order of INR 14.00 Crores from a Mumbai based existing client on April 09, 2026 for supply of fancy coloured cut and polished lab grown diamonds.

This order marks a further step in the Company’s efforts to strengthen its domestic business and signals growing market acceptance of its lab-grown diamond offerings, supported by consistent quality assurance, transparent specifications and competitive pricing. The development also deepens MDIL’s engagement with an existing client, whose order profile has now moved beyond the earlier product segment. Such expansion by a repeat customer is a meaningful sign of commercial confidence and highlights the Company’s ability to build larger and more diverse business relationships over time.

At a time when the global business environment remains uncertain and export markets require a measured approach; the domestic market assumes added significance for long-term growth. In this backdrop, the present order highlights MDIL’s steady progress in strengthening its position in India through closer customer engagement, wider product acceptance and sustained order flow.

The additional disclosures as required SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, is provided in **Annexure- A**.

This is for your information and record.

Management's Comment:

Shri Upendra Shah, Chairman and Managing Director, Mini Diamonds (India) Limited, had to say the following with regards to this business update:

“This order is an important start to the new financial year and is particularly encouraging as it comes from an existing customer in a new product category i.e. the fancy, coloured lab grown diamonds. It reflects the confidence we are building through consistent quality, competitive pricing and our ability to service specialized requirements. In the present global environment, strengthening the domestic business remains a key priority for us, and we believe such orders will continue to support the Company's growth and market position in India.”

Thanking you.

Yours faithfully,

For Mini Diamonds (India) Limited

Upendra Shah

About Us:

Mini Diamonds (India) Limited (“MDIL”) is a public limited company listed on BSE Limited, was established in the year 1987 with a clear intention to cater diamond import and export business, with its clear track records. Today Mini Diamonds is an internationally well-known company for its cut and polished diamonds and jewellery manufacturing.

MDIL has established a sophisticated manufacturing facility in Mumbai, strategically equipped with cutting-edge technology and state-of the-art machinery tailored specifically for processing rough diamonds. Within this facility, every facet of the diamond cutting and polishing process is meticulously handled using modern equipment, including Sarin Technology, Auto Bruiting Machines, Semi-Automatic Polishing Mills, and Sawing Machines, among others.

Under the meticulous supervision of MDIL’s seasoned experts and their own dedicated staff, the factory ensures the highest standards of precision and quality at every stage of production. This commitment to excellence extends beyond mere technology; it encompasses the fusion of craftsmanship and innovation to elevate the diamond processing industry to new heights.

Moreover, MDIL doesn't limit its expertise solely to diamond processing. The Mumbai facility also serves as a hub for jewellery manufacturing, where professional artisans harness the cutting-edge machinery Available on-site. By integrating their expertise in diamond processing with jewellery manufacturing, MDIL creates a seamless synergy, resulting in exquisite, meticulously crafted pieces that embody both luxury and elegance.

Our company excels in the manufacturing, marketing, and sales of exquisite lab-grown diamond jewellery. We cater to both the Indian and international markets, offering our products through B2B and B2C channels. With a focus on cutting-edge production technology, we strive to deliver high-quality, cost effective lab-grown diamonds that appeal to a wide range of customers.

By combining innovative technology, meticulous craftsmanship, and strategic marketing, we
