Subject: Business update: Receipt of Jewellery Order from Dubai and Participation in B2C Exhibition at Mumbai

Dear Sir/Madam,

In terms of the captioned subject, Mini Diamonds (India) Limited (“MDIL”) is pleased to inform its shareholders about strengthening of its Dubai footprint through receipt of order for 1000 pieces of exquisite silver lab grown jewellery pieces and beginning of its B2C market outreach through participation in retail exhibition in Mumbai and

1. Receipt of Jewellery Order from Dubai:

Mini Diamonds India Ltd. has received a substantial export order for **1,000 pieces of sterling silver lab-grown diamond jewelry** from **AV Palace DMCC**, a leading jewelry house based in Dubai. This order is part of the ongoing partnership between our company and AV Palace DMCC, focused on expanding the brand’s presence in the Middle Eastern luxury jewelry market. Through this collaboration, we are strengthening our position in Dubai by offering high-quality sterling silver lab-grown diamond jewelry—a category gaining popularity among modern consumers. This milestone reflects the shared goal of both companies to promote ethical luxury and meet the growing demand for conscious craftsmanship.

2. Participation in Retail Exhibition:

For the first time ever, Namra Jewels is taking its signature lab-grown diamond jewelry beyond the showroom and directly to customers at an exclusive exhibition in Juhu, Mumbai this weekend. Featuring 14KT BIS hallmarked and IGI-certified pieces, the event offers a unique chance for jewelry lovers to explore our lab grown diamonds collection up

close. It also allows us to connect with a wider audience, gain valuable customer insights, and build stronger brand recognition. This marks a key step in our growth journey as we expand our offline presence and bring sustainable luxury to more people.

This is for your information and record.

Management's Comment:

Shri Upendra N. Shah, Chairman and Managing Director, Mini Diamonds (India) Limited, had to say the following with regards to this business update:

“We are pleased to announce the receipt of a 1,000-piece export order from AV Palace DMCC, Dubai – an encouraging sign of growing global confidence in our sterling silver lab-grown diamond jewelry and craftsmanship. This milestone strengthens our international presence and supports our vision of promoting sustainable luxury worldwide. On the domestic front, our upcoming participation in the B2C exhibition in Juhu, Mumbai marks an important step toward deepening customer engagement and expanding our retail footprint in India. Together, these developments coupled with accelerated growth and profitability owing to inhouse manufacturing of lab grown polished diamonds now reflect our commitment and caliber to scaling responsibly through quality, affordability, and customer-focused growth.”

Thanking you.

Yours faithfully,

For Mini Diamonds (India) Limited

Upendra Shah

About Us:

Mini Diamonds (India) Limited (“MDIL”) is a public limited company listed on BSE Limited, was established in the year 1987 with a clear intention to cater diamond import and export business, with its clear track records. Today Mini Diamonds is an internationally well-known company for its cut and polished diamonds and jewellery manufacturing.

MDIL has established a sophisticated manufacturing facility in Mumbai, strategically equipped with cutting-edge technology and state-of the-art machinery tailored specifically for processing rough diamonds. Within this facility, every facet of the diamond cutting and polishing process is meticulously handled using modern equipment, including Sarin Technology, Auto Bruiting Machines, Semi-Automatic Polishing Mills, and Sawing Machines, among others.

Under the meticulous supervision of MDIL’s seasoned experts and their own dedicated staff, the factory ensures the highest standards of precision and quality at every stage of production. This commitment to excellence extends beyond mere technology; it encompasses the fusion of craftsmanship and innovation to elevate the diamond processing industry to new heights.

Moreover, MDIL doesn't limit its expertise solely to diamond processing. The Mumbai facility also serves as a hub for jewellery manufacturing, where professional artisans harness the cutting-edge machinery Available on-site. By integrating their expertise in diamond processing with jewellery manufacturing, MDIL creates a seamless synergy, resulting in exquisite, meticulously crafted pieces that embody both luxury and elegance.

Our company excels in the manufacturing, marketing, and sales of exquisite lab-grown diamond jewellery. We cater to both the Indian and international markets, offering our products through B2B and B2C channels. With a focus on cutting-edge production technology, we strive to deliver high-quality, cost effective lab-grown diamonds that appeal to a wide range of customers.
