3. Customer's preference in choosing hallmarked products over products made by un-organized manufacturers.
4. Concentrating in one sector makes the company mature in the industry and gain efficiency in operations.
5. Scaling of economy resultant out of Brand/ Advertisement & Publicity / Procurement of Gold, Product Mix, designs, etc.
6. The Government of India has also launched the Sovereign Gold Bond Scheme to reduce the country's reliance on physical gold imports to meet retail investors' investment demand for gold.

**THREATS:**

Some of the key challenges facing the jewellery industry are as follows:

1. Acute shortage of skilled labour increases the production cost significantly.

2. Macro-economic factors such as Rupee fluctuations, enactment of new laws such as GST, KYC norms and quality consciousness amongst export markets.
3. Increasing duties and cess following GST implementation.
4. Adapting to fast-changing consumer preferences and buying patterns.
5. Volatility in the market prices of gold and diamonds.
6. The jewellery industry is a working capital-intensive business and currently there are increasing restrictions by banks over lending in this sector.
7. Recession affects the industry growth in general.
8. Unpredictable Covid situation may lead to unavailability of Artisans/ workers.
9. Increasing Trend in Non-Core Income

**OUTLOOK:**

In the coming years, there will be a spurt in demand for Indian jewellery in the global market and the growth in the gems & Jewellery sector would be largely contributed by the development of large Manufacturers/brands due to the ongoing structural changes together with strong macro-demographic trends. Regulatory changes introduced by the Government of India over the last few years are likely to rise the preference for branded jewellery and shift the scales in favor of the organized sector at the cost of the unorganized sector. The demand for jewellery is expected to remain robust, given India's demographics and the consumer's affinity towards gold for both wedding-related purchases and as store of value. Overall, India is expected to play a more important role in the global gems & jewellery sector, with significant investment seen in the manufacturing units by the domestic players, foreign players, and private equity investors. The changes expected in the product-mix portfolio of the Company auger well in the long run to improve the profits. It is expected that the positive impact of polarization on the organized sector is likely to be visible operationally within a couple of years that would go a long way in improving the margin and turnover for the industry in general and the Company.

**INDEPENDENT AUDITOR'S REPORT**

**To,**  
**The Board of Directors**  
**Mini Diamonds India Limited**

**Report on the audit of the Standalone Financial Results****Opinion**

We have audited the accompanying statement of financial results of Mini Diamonds India Limited for the quarter and year ended 31<sup>st</sup> March, 2023 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“Listing Regulations”)

In our opinion and to the best of our information and according to the explanations given to us these financial results:

(i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and

(ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the quarter ended as well as for the year-to-date results for the period from 1.4.2022 to 31.03.2023

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those

Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with

the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

### **Management's responsibility for the Standalone Financial Results**

These quarterly financial results as well as the year-to-date standalone financial results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued there under and other Accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial result that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to

going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the Audit of the Financial Results**

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the operating effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with the mall relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Other Matters**

Attention is drawn to the fact that figures for the quarter ended 31<sup>st</sup> March, 2023 as reported in the Financial Results are the balancing figures between audited figures in

respect of the financial year ended 31<sup>st</sup> March, 2023 and the published year to date figures upto the end of the third quarter of the relevant financial year. Also, the figures upto the end of the third quarter is only been reviewed and not subjected to audit.
